### **Baronial Meetings Dates and Locations**

August: At the home of Chad and Deidre Ballard (location to follow).  
Then, we are back at the library for September, October and November.  
In November, our meeting date is moved to the second Wednesday of the month, November 14<sup>th</sup>. The meeting is in the “A” room for this month.  
There will be no Baronial Meeting in December.

### **Baronial Events**

Westermark Madness September 29<sup>th</sup>, 2018

The site tokens are being handled by the Baron and Baroness. Joel is handling privy rental and the insurance certificate.

We need a separate meeting JUST for Madness planning. Let's get a date. The food and activities must be established. We still need a site survey and mowing plan. And we REALLY need to watch our timing even more than last year.

We are honored to be the first stop on The Royal Hunt! This is an event intended to draw members to events they would not normally attend. Twelve “beasts” (in reality people) will be hunted at various events. The beast is to be given a silver arrow and then he or she will present a challenge.

By decree of our Baroness, The 2018 Madness will be run on time and will be GREAT!

### **Westermark Winter Feast January 19<sup>th</sup>, 2019**

We have changed our theme for the Winter Feast: It is now to be a Dockside Tavern theme. It will be about \$220 to rent the room at the Sequoia Yacht Club. We would get “The Oaks” room and porch. Sabrina will make/get the tokens for this event. The site liaison is Telynor and the autocrat is Hindrek. We won't be able to bring in alcohol, but there will be a Yacht Club bar available.

### **New Business and Items of Interest to the general Populace**

We're still recruiting for new/replacement officers, although we have filled the office of Arts & Sciences Minister. We MUST have a Seneschal, as having one is a requirement for being a barony.

We were too late in putting in a bid to run the 2020 Twelfth Night Coronation event. Also, the Twelfth Night of 2021 is also taken. We can still try for the one in 2022. Let's not wait if we want to do it!

The Traditional Closing: “Oh Westermark, your Forests . . .”
